Kai Tak East – Site Visit to Kai Tak East site and Smart Site Management Hub

by CIC Global Construction Sustainability Forum and Exhibition 2023

The CIC Global Construction Sustainability Forum and Exhibition 2023 visited the Central Kowloon Route (CKR) – Kai Tak East site (KTE) and Smart Site Management Hub (SSMH) on 23 November 2023.

The visit began with an informative presentation at the CKR Community Liaison Centre, which offered participants comprehensive information about the CKR Project. Following the presentation, the participants went to the SSMH at KTE site office to observe how CKR utilises digital technology to establish a smart construction site environment. Subsequently, they proceeded to the Kai Fuk Road footbridge to gain insights into the construction methods and techniques employed for vehicle bridges at the KTE site.

啟德東 — 建造業議會國際可持續建築論壇暨展覽

參觀啟德東工地及智慧工地管理平台

建造業議會國際可持續建築論壇暨展覽於 2023 年 11 月 23 日參觀啟德東工地及智慧工地管理平台。

一眾參加者先參觀中九龍幹線社區聯絡中心，由工程團隊詳盡講解中九龍幹線工程項目。其後到訪位於啟德東工地辦公室的智慧工地管理平台，了解中九龍幹線如何應用數碼科技締造智慧工地環境。最後移師至啟福道行人天橋，進一步了解行車橋的建造方法和施工技術。
