**KTE – “Hiking X Clean-up Action” at Pineapple Dam**

Many citizens would like to go hiking during the COVID-19 outbreak for taking a deep breath of fresh air. However, the sudden increase of visitors has left a trail of rubbish behind. To restore cleanliness in the countryside and encourage the public to “take their litter home”, on 27 June 2020, Central Kowloon Route – Kai Tak East (CKR – KTE) Project Team organized the event “Hiking X Clean-up Action” and picked up trash along the Pineapple Dam Nature Trail.

**啟德東—菠蘿壩「行山清潔行動」**

在 2019 冠狀病毒病肆虐期間，不少市民為了呼吸新鮮空氣，選擇到戶外遠足，而期間遺留不少垃圾。中九龍幹線—啟德東工程團隊有見及此，於 2020 年 6 月 27 日舉行「行山清潔行動」活動。工程團隊於菠蘿壩自然教育徑沿途撿拾垃圾，希望藉此活動呼籲郊遊人士“自行帶走垃圾”，以保持郊外清潔。
