獲獎：金獎

攝於1998年

相片描述：

位於九龍的啟德機場只有一條跑道，三座機
山，在機場附近是住宅和商店，機師在
跑道上降落時，距離很近，而且跑道兩
側是山，所以機師在降落時，必須很小心。

Subject: Sharp Turn over Kowloon City
Photo taken in 1998

Photo description:

Kai Tak Airport was located in the middle of
Kowloon City with a runway protruding into the
sea. As it was also surrounded by mountains
and buildings, landing in Kai Tak was quite a
challenge for pilots.
