### **KTW – Safety & Health talk for Secondary School students**

“Central Kowloon Route” – Kai Tak West Project Team joined “SH Workshop@School”, which co-organized by Junior Achievement Hong Kong (JA HK) and Occupational Safety and Health Council (OSHC) at OSHC OSH Academy (Tsing Yi) on 9 July 2019.

With the theme “SH in Action”, Safety Team promoted safety and health awareness and developed a positive culture among 130 Form 3 students from Buddhist Tai Hung Secondary School. Safety Team introduced modularization, digitalization, robotic aids, virtual reality and shared the application in Kai Tak West project. The talk aimed at supporting students to adopt a proper safety and health attitude to become a healthy and productive future workforce.

### **啟德西 - 安全及健康中學講座**

中九龍幹線—啟德西工程團隊於 2019 年 7 月 9 日前往職業安全健康局(職安局)位於青衣的職業安健院，出席由青年成就計劃香港部與職安局合辦的「知安識健體驗坊」活動。

為配合是次活動的「安健全起動」主題，工程團隊的安全部向在場約 130 名來自佛教大雄中學的中三學生，分享安全及健康知識，並且簡介模組化預製工序、數碼化、機械協助生產、虛擬實景應用，以及如何應用在啟德西工程當中，從而培育學生正向的安全工作態度，為日後就業作好準備。
