### KTW – Repair & Painting Services for Primary School

Central Kowloon Route – Kai Tak West (CKR - KTW) Project provided a hand-up repair and painting services to S.K.H. Holy Carpenter Primary School on 7 December 2019.

While some of the professional frontline workers provided repair services around the campus, some of the non-expert volunteers including primary school students rolled up their sleeves to paint the external wall of the school with passionate hearts. “Being one of the volunteers for providing services in school is an invaluable experience which can also ensure a clean and comfortable learning environment for schoolmates.” 5C student Coey Fu said.

The Principal, teachers, students and their families were generally appreciative of volunteers’ help and expressed their gratitude throughout the event.

### 啟德西 – 髹漆及維修小學校園

中九龍幹線—啟德西工程團隊於 2019 年 12 月 7 日為聖公會聖匠小學進行校舍維修及髹漆服務。

正當一群前線專業工友在校園進行維修工作之際，另一群並非油漆能手的義工隊，包括小學生紛紛捲起衣袖，用心落力地為學校外牆髹油。就讀 5C 班的傅可茵同學說：「這是難得的經驗，既可在學校做義工，亦可為其他同窗帶來潔淨而舒適的學習環境。」

該校校長、老師、學生及家長均被義工們的無私奉獻深受感動，並予以衷心的感謝。
