

Contract No. HY/2014/07
Central Kowloon Route – Kai Tak West

11 January 2020

KTW – Site Visit by HKIE Civil Division

A site visit to “Central Kowloon Route” – Kai Tak West Project by the members of the Hong Kong Institution of Engineers (HKIE) Civil Division was held on 11 January 2020.

The project team provided an in-depth presentation on construction methods for Cut-and-Cover Tunnel as well as Underwater Tunnel, and arranged a site visit for the members to better understand the construction sequences.

啟德西 – 香港工程師學會土木分部參觀啟德西工程

香港工程師學會土木分部會員於 2020 年 1 月 11 日參觀了中九龍幹線—啟德西工程。工程團隊首先詳細講解明挖回填隧道及海底隧道的建造方法，隨後再率領一眾會員實地參觀工地，了解施工方法。

Members of HKIE Civil Division joined site visit to “Central Kowloon Route” – Kai Tak West Project.
