KTW – “Hiking X ECO Clean-up” in Ma On Shan

Central Kowloon Route – Kai Tak West (CKR – KTW) Project Team organized “Hiking X ECO Clean-up” on 6 June 2020.

During the COVID-19 outbreak, citizens like to take a walk outside and hike. In order to keep the countryside clean and promote “Take litter Home” message to visitors, Project Team picked up trash along the Ma On Shan Trails.

To minimize the risk of possible spreading of COVID-19, volunteers grouped into 8 participants. All of them maintained an appropriate distance with others and paid heed to personal protection, including wearing masks.

在 2019 冠狀病毒病肆虐期間，不少市民喜歡到戶外散步及遠足，為了保持郊外清潔，以及向遊人宣傳“自行帶走垃圾”的訊息，工程團隊於馬鞍山郊野徑沿途撿拾垃圾。

為盡量減低 2019 冠狀病毒病的傳播風險，義工隊以 8 人一組形式進行，並各自與隊友保持適當距離，以及採取個人保護措施，戴上口罩。
