Central Kowloon Route – Coastal Cleanup at Ting Kau Beach

In order to protect the ecology, Central Kowloon Route (CKR) Volunteer team arranged “Coastal Cleanup” Campaign at Ting Kau Beach within Lo Pan Service Month 2021 on 22 May 2021.

Through all the sweat and the laughter, 70 volunteers cleaned up the shoreline and collected coastal trash under the hot weather. The debris including foamed plastic, glass bottles, cigarettes, face masks and even paint tins and electric kettle were collected.

Coastal Cleanup Campaign aimed at conveying the 4Rs (Reduce, Reuse, Recycle and Recover) message to help reduce marine debris and protect the ecosystem. We wished to encourage participants protecting the ocean and marine ecology through reducing waste at source and producing less wastes.

中九龍幹線—汀九灣泳灘海岸清潔運動

為了以實際行動保護生態環境，「中九龍幹線」工程義工隊於 2021 年 5 月 22 日趁 2021 年魯班服務月，於荃灣汀九灣泳灘舉辦「海岸清潔運動」。

儘管當日天氣炎熱，70 名義工仍在汗水與歡笑聲中，合力清潔海岸，並成功收集大量垃圾，當中包括發泡膠、玻璃樽、香煙、口罩，甚至是油漆罐及熱水煲等。

是次清潔海灘運動目的旨在宣揚環保 4R（減少使用、重複使用、循環使用、回收再用）訊息，並鼓勵大家從日常生活著手，實踐源頭減廢的目標，最終達致減少海洋垃圾，推動海洋及生態保育。
