KTW—Young Carpenter Workshop

“Young Carpenter Workshop” was held successfully at Central Kowloon Route – Community Liaison Centre (Ma Tau Kok) during Lo Pan Service Month. 15 No. of volunteers from Central Kowloon Route – Kai Tak West Project (including Highways Department, Arup-Mott MacDonald Joint Venture and Gammon Construction Limited) joined hands with female carpenter Ms. Cynthia WU Sin Hang who won “Excellent Traditional Craft Award” and “Traditional Craft – Joinery Award” in “Young Lo Pan Award Presentation Ceremony 2017” to organize a 3rd Young Engineer Workshop for the students (P.4 -P.6) of S.K.H. Holy Carpenter Primary School on 24 July 2021.

Project team firstly introduced Central Kowloon Route Project. Ms. Cynthia WU then shared woodworking experience and demonstrated the skills of joinery. Students enjoyed being carpenters through step by step DIY wooden chairs, such as sawing, mortise, fitting and painting varnish, etc.

啟德西一小小木匠工程師

「小小木匠工程師」工作坊趁魯班服務月，於 2021 年 7 月 24 日在中九龍幹線—馬頭角社區聯絡中心順利舉行。當日，中九龍幹線—啟德西工程團隊 15 名義工（包括路政署、奧雅納—莫特麥克唐納顧問聯營公司及金門建築有限公司），在榮獲「2017 年青年魯班選舉」「傳統工藝大獎」及「傳統工藝獎—木工」女木匠胡善姮的指導下，協助 20 名聖公會聖匠小學小四至小六學生，完成參與第 3 屆小小工程師系列工作坊。

活動當日，工程團隊簡介中九龍幹線，隨後由胡善姮女木匠親自向學生及義工們傳授木工技術，並示範精湛的木工手藝，由鋸木、入榫、裝嵌、髹上光油等，循序漸進教導學生親手製作入榫木櫈，讓他們一嘗當木匠的樂趣。
