

Contract No. HY/2014/07

Central Kowloon Route – Kai Tak West

20th May 2023

Site Visit to Community Liaison Centre & Kai Tak West site
by Association of Geotechnical & Geoenvironmental Specialists (Hong Kong)

Site visit to Central Kowloon Route (CKR) - Community Liaison Centre (CLC) and Kai Tak West (KTW) site by Association of Geotechnical & Geoenvironmental Specialists (Hong Kong) (AGS (HK)) was held on 20 May 2023.

Participants were able to learn about the construction and challenges of the CKR - KTW contract. During the site walk, participants learned the construction method and techniques of the cut-and-cover tunnel, underwater tunnel, depressed road and underpass at the Kai Tak West site.

香港岩土及岩土環境工程專業協會

參觀社區聯絡中心及啟德西工地

香港岩土及岩土環境工程專業協會於 2023 年 5 月 20 日參觀中九龍幹線社區聯絡中心及啟德西工地。

一眾參加者透過是次活動，了解中九龍幹線啟德西工程項目及挑戰。參觀啟德西工地期間，參加者能了解到明挖回填隧道、海底隧道、低於地面道路及地下行車道工程的建造方法及其施工技術。
