Site Visit to Central Kowloon Route Community Liaison Centre and Kai Tak East site
by Hong Kong Institute of Vocational Education (IVE Engineering Tsing Yi)

Hong Kong Institute of Vocational Education (IVE Engineering Tsing Yi) visited Central Kowloon Route Community Liaison Centre and Kai Tak East site on 2 December 2023.

Students learned about the Central Kowloon Route project through detailed explanations given by the project team at the Central Kowloon Route Community Liaison Centre. They then moved to the Kai Fuk Road footbridge at the Kai Tak East site to learn about the construction methods and construction technologies used to build the vehicular bridges.

香港專業教育學院 (青衣) – 工程學科
參觀中九龍幹線社區聯絡中心及啟德東工地

香港專業教育學院 (青衣) 的工程學科於 2023 年 12 月 2 日參觀中九龍幹線社區聯絡中心及啟德東工地。學生們在中九龍幹線社區聯絡中心，透過工程團隊詳盡的講解，了解中九龍幹線工程項目。其後移師至位於啟福道的行人天橋上，進一步學習及了解行車橋的建造方法和施工技術。
