**YMT – CKR CLC Tour with "Air Purification System" STEAM Workshop
for Wong Tai Sin Government Primary School**

Echoing the promotion of STEAM education, in collaboration with the Wong Tai Sin Government Primary School, the Yau Ma Tei East and Yau Ma Tei West Project Teams organized a tour of Ma Tau Kok Community Liaison Centre with "Air Purification System" STEAM workshop on 24 June 2024. The Project Teams introduced the Central Kowloon Route Project and Yau Ma Tei Contract to students. Through the various interactive facilities at the Community Liaison Centre, students experienced the construction works and learned more about the benefits of the C.K.R. as well as the features of the Yau Ma Tei East and Yau Ma Tei West Contracts. During the workshops, students crafted DIY air purifier models. They gained knowledge about the engineering design of the Central Kowloon Route, the operation of its ventilation buildings, and the future highway development of Hong Kong.

**油麻地 – 黃大仙官立小學參觀社區聯絡中心及
「空氣淨化系統」STEAM 工作坊**

為響應 STEAM 教育的推廣，油麻地東和油麻地西工程團隊於2024年6月24日與黃大仙官立小學參觀馬頭角社區聯絡中心。工程團隊向學生介紹了中九龍幹線工程、油麻地東及油麻地西工程。透過社區聯絡中心的各項互動設施，同學體驗了工程工作，並了解到中九龍幹線的效益，以及油麻地東和油麻地西工程的特色。同學們亦透過STEAM工作坊，親手製作空氣淨化機模型，了解中九龍幹線的設計及其通風大樓的運作，同時認識了香港未來的道路發展。
